

BSI Standards Publication

**Guidance for the use of repeatability,
reproducibility and trueness estimates in
measurement uncertainty evaluation**

National foreword

This British Standard is the UK implementation of ISO 21748:2017. It supersedes BS ISO 21748:2010, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SS/6, Precision of test methods.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
