

BSI Standards Publication

Categorization and classification of civil unmanned aircraft systems

National foreword

This British Standard is the UK implementation of [ISO 21895:2020](#).

The UK participation in its preparation was entrusted to Technical Committee ACE/20/1, UAS - General.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
