

BS ISO 2190:2016

BSI Standards Publication

Granulated cork — Determination of moisture content

National foreword

This British Standard is the UK implementation of ISO 2190:2016.

The UK participation in its preparation was entrusted to Technical Committee PRI/81, Cork.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
