

BS ISO 22196:2011

BSI Standards Publication

Measurement of antibacterial activity on plastics and other non-porous surfaces

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 22196:2011. It supersedes BS ISO 22196:2007 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/21, Testing of plastics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
