

BSI Standards Publication

Water pipe tobacco smoking machine — Definitions and standard conditions

National foreword

This British Standard is the UK implementation of [ISO 22486:2019](#).

The UK participation in its preparation was entrusted to Technical Committee AW/40, Tobacco and tobacco products.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
