

BSI Standards Publication

Healthcare organization management — Vocabulary

National foreword

This British Standard is the UK implementation of ISO 22886:2020.

The UK participation in its preparation was entrusted to Technical Committee QS/1/3, Quality Management - Supporting Standards.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
