Industrial trucks — Verification of stability

Part 15: Counterbalanced trucks with articulated steering

National foreword

This British Standard is the UK implementation of ISO 22915-15:2020. It supersedes BS ISO 22915-15:2013, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee MHE/7, Industrial trucks.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
