Fine bubble technology — Agricultural applications

Part 2: Test method for evaluating the promotion
of the germination of barley seeds

National foreword

This British Standard is the UK implementation of ISO 23016-2:2019.

The UK participation in its preparation was entrusted to Technical Committee LBI/50, Fine Bubble Technology (FBT).

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
