

BSI Standards Publication

Milking and cooling machine installations — Monitoring device for bulk milk cooling tanks — Requirements

National foreword

This British Standard is the UK implementation of [ISO 23130:2020](#).

The UK participation in its preparation was entrusted to Technical Committee AGE/32, Agricultural implements and trailers.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
