National Foreword

National foreword

This British Standard is the UK implementation of ISO 23274-2:2012. Together with BS ISO 23274-1:2013 it supersedes BS ISO 23274:2007, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PEL/69, Electric vehicles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
