Space systems — Guidelines to define the management framework for a space project

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 23462:2014. It supersedes PD ISO/TR 23462:2007 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ACE/68/-/5, Space systems and operations - Programme management.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
