

BSI Standards Publication

**Elastomeric seals — Requirements for materials
for pipe joint seals used in water and drainage
applications — Thermoplastic elastomers**

National foreword

This British Standard is the UK implementation of [ISO 23711:2022](#).

The UK participation in its preparation was entrusted to Technical Committee PRI/70, Elastomeric seals for joints in pipework and pipelines.

A list of organizations represented on this committee can be obtained on request to its committee manager.
