Metallic materials — Sheet and strip — Method for springback evaluation in stretch bending

National foreword

This British Standard is the UK implementation of ISO 24213:2017. It supersedes BS ISO 24213:2008, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee ISE/101/2, Ductility testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
