Earth-moving machinery — Coupling of attachments to skid steer loaders

National foreword

This British Standard is the UK implementation of [ISO 24410:2020](#).

The UK participation in its preparation was entrusted to Technical Committee B/513/1, Earth moving machinery (International).

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
