

BS ISO 24678-6:2016

BSI Standards Publication

Fire safety engineering — Requirements governing algebraic formulae

Part 6: Flashover related phenomena

National foreword

This British Standard is the UK implementation of ISO 24678-6:2016.

The UK participation in its preparation was entrusted to Technical Committee FSH/24, Fire safety engineering.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
