Pesticides and other agrochemicals — Principles for the selection of common names

National foreword

This British Standard is the UK implementation of [ISO 257:2018](#). It supersedes [BS ISO 257:2004](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AW/81, Common names for pesticides.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
