BSI Standards Publication

Particle characterization of particulate systems — Vocabulary

bsi.

...making excellence a habit.™

National foreword

This British Standard is the UK implementation of ISO 26824:2013.

The UK participation in its preparation was entrusted to Technical Committee LBI/37, Particle characterization including sieving.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
