

BSI Standards Publication

Fine ceramics (advanced ceramics, advanced technical ceramics) — Test method for thermal-shock resistance of porous ceramics

National foreword

This British Standard is the UK implementation of ISO 28703:2011.

The UK participation in its preparation was entrusted to Technical Committee RPI/13, Advanced technical ceramics.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
