

BS ISO 3601-5:2015

BSI Standards Publication

Fluid power systems — O-rings

Part 5: Specification of elastomeric materials for industrial applications

National foreword

This British Standard is the UK implementation of ISO 3601-5:2015.

The UK participation in its preparation was entrusted to Technical Committee MCE/11, Fluid seals and their housings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
