

Road vehicles — Visibility — Method for establishment of eyellipses for driver's eye location

ICS 43.020

National foreword

This British Standard is the UK implementation of ISO 4513:2010. It supersedes BS AU 176:1980 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AUE/12, Safety related to occupants.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 June 2010
