

BSI Standards Publication

Energy services — Guidelines for the assessment and improvement of the energy service to users

National foreword

This British Standard is the UK implementation of ISO 50007:2017.

The UK participation in its preparation was entrusted to Technical Committee SVS/0, Customer service - Fundamental principles.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
