Accuracy (trueness and precision) of measurement methods and results

Part 2: Basic method for the determination of repeatability and
reproducibility of a standard measurement method

National foreword

This British Standard is the UK implementation of ISO 5725-2:2019. It supersedes BS ISO 5725-2:1994, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee SS/6/-/1, Precision of test methods - Panel 1: Revision of ISO 5725.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
