

BSI Standards Publication

Nickel and nickel alloys — Terms and definitions

National foreword

This British Standard is the UK implementation of ISO 6372:2017.

The UK participation in its preparation was entrusted to Technical Committee I/-, Miscellaneous standards materials and chemicals.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
