Pulps — Determination of alkali resistance

National foreword

This British Standard is the UK implementation of ISO 699:2015. It supersedes BS 4499:1984 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PAI/11, Methods of test for paper, board and pulps.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
