Agricultural tractors — Test procedures

Part 12: Low temperature starting

National foreword

This British Standard is the UK implementation of [ISO 789-12:2000](#).

The UK participation in its preparation was entrusted to Technical Committee AGE/6, Agricultural tractors and forestry machinery.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
