Agricultural tractors — Test procedures

Part 2: Rear three-point linkage lifting capacity

National foreword

This British Standard is the UK implementation of ISO 789-2:2018. It supersedes BS 6347-2:1983, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee AGE/6, Agricultural tractors and forestry machinery.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
