Stationary source emissions — Manual determination of mass concentration of particulate matter

National foreword

This British Standard is the UK implementation of ISO 9096:2017. It supersedes BS ISO 9096:2003, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EH/2/1, Stationary source emission.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
