## **Hydraulic fluid power — Measurement techniques**

---

Part 2: Measurement of average steady-state pressure in a closed conduit

## National foreword

This British Standard is the UK implementation of [ISO 9110-2:2020](#).

The UK participation in its preparation was entrusted to Technical Committee MCE/18, Fluid power systems and components.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
