Cellular plastics — Determination of horizontal burning characteristics of small specimens subjected to a small flame

National foreword

This British Standard is the UK implementation of ISO 9772:2012. It supersedes BS ISO 9772:2001 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee PRI/26, Burning behaviour of plastics and rubbers.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
