

BSI Standards Publication

Cards and security devices for personal identification — Contactless vicinity objects

Part 2: Air interface and initialization

National foreword

This British Standard is the UK implementation of [ISO/IEC 15693-2:2019](#). It supersedes [BS ISO/IEC 15693-2:2006](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee IST/17, Cards and security devices for personal identification.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
