

BSI Standards Publication

**Information technology — Security techniques
— Security guidelines for design and
implementation of virtualized servers**

National foreword

This British Standard is the UK implementation of [ISO/IEC 21878:2018](#).

The UK participation in its preparation was entrusted to Technical Committee IST/33/4, Security Controls and Services.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
