

PD ISO/TR 12603:2010

BSI Standards Publication

Building construction machinery and equipment — Classification

National foreword

This Published Document is the UK implementation of ISO/TR 12603:2010. It supersedes DD 237:1996 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/513, Construction equipment and plant and site safety.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
