

BSI Standards Publication

Automation systems and integration — Key performance indicators (KPIs) for manufacturing operations management

Part 10: Operational sequence description of data acquisition

National foreword

This Published Document is the UK implementation of ISO/TR 22400-10:2018.

The UK participation in its preparation was entrusted to Technical Committee AMT/5, Industrial architectures and integration frameworks.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
