Cutting tool data representation and exchange

Part 70: Graphical data layout — Layer
setting for tool layout

National foreword

This Published Document is the UK implementation of ISO/TS 13399-70:2016.

The UK participation in its preparation was entrusted to Technical Committee MTE/18, Tools tips and inserts for cutting applications.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
