

BSI Standards Publication

Industrial automation systems and integration — Integration of life-cycle data for process plants including oil and gas production facilities

Part 4: Initial reference data

National foreword

This Published Document is the UK implementation of ISO/TS 15926-4:2019.

The UK participation in its preparation was entrusted to Technical Committee AMT/4, Industrial data and manufacturing interfaces.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
